Guidelines regarding individuals requesting refunds for personal activities.

Division 2 Red Deer County Recreation and Culture Board

The Board will refund 50% of personal expenses for recreational and cultural activities to a **maximum of \$100 per year**, according to the budget set by the Board, on a first-come, first-served basis, providing the following criteria are met:

- a. The activity is performed at a **recognized recreational or cultural facility** within Red Deer County (including all hamlets, villages and the City of Red Deer), or at a **recognized community facility** such as a community centre, hall or school.
- b. The activity promotes **fitness, sportsmanship, skill development in a craft or hobby, community spirit or cultural awareness**;
- c. The activity normally involves more than one person;
- d. The activity is outside of the home;
- e. The activity is not primarily for entertainment purposes;
- f. The fees for such activities are for registration, supplies, skill development in a craft or hobby or other unusual out-of-pocket expenses that are not normally available from other sources.

The Board will consider a refund of 50% of personal expenses for recreational and cultural activities to a maximum of \$100 per year on a case-by-case basis at the Board's discretion for similar types of activities **outside the County** or if the activity is **particularly unusual** but promotes fitness, sportsmanship, skill development in a craft or hobby, community spirit or cultural awareness.

The Board will NOT refund 50% of personal expenses for activities that could lead to a career or other profitable enterprise. In addition, the refund will NOT be available for program registrations that are compensated by other means including those programs that are funded by the Board.

Movie passes, concerts, dinners, fund-raisers, transportation, sight-seeing or similar types of activities will not normally be part of the refund program but may be included in special activities arranged by the Board.
